**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I used to get my Internet from a large company, and service could be out for days and I was stuck in knot of phone trees. Since switching to a small company, I've gotten outstanding service and reliability. It was important I could make that choice, finding a solution that worked for my entire household.

Please keep the market open
